SUBJECT: Provision and Branding of NSDI promotional materials
Procurement Ref: G/RFQ/NSA-20/2025

1. PURPOSE

This report presents the bid opening proceedings for the Request for Quotation (RFQ) for the Provision and Branding of various promotional Items. The RFQ was published on the NSA website on 10 November 2025 and closed on 24 November 2025.

2. BACKGROUND

The opening session was guided by section 51(4) of the Act which states that: *At a bid opening session, the name of the bidder, the total amount of each bid, any discount or alternative offer, and the presence or absence of any security, if required is read out and recorded, and a copy of the records is made available to any bidder on request.* The PMU, therefore, focused on those aspects only. The bid evaluation process is expected to commence within five (5) days.
