Agriculture and Fishing Indicators Statistical Bulletin – Second Quarter 2026

By: Ms. Rosa Harris
Senior Statistician: Agriculture

Outline

- Introduction
- Agronomy products
- Horticulture products
- Livestock auctioned
- Fishery products
- Conclusion

Introduction

- The Quarterly Agriculture and Fishing Indicator Statistical Bulletin presents an overview of the agriculture and fishing indicators for Namibia.
- The objective of the bulletin is to illustrate the short-term performance of the sub sectors.
- Publication uses secondary data and administrative data: NAB, LLPBN & MAFWLR
- Compilation follows international best practices and international classifications: Global Strategy of the UN to improve Agriculture and Rural statistics, ISIC, HS & CPC
