Data Sources : The data was obtained from the Livestock and Livestock Products Board of Namibia.

Base year : Livestock Sectoral report is harmonized with the quarterly and annual national accounts base year 2015.

Sector Classification : The ISIC CODE for this sector is 4620 for live animals and 4621 for slaughtered animals.

Calculations of index : The index is calculated based on the 2015 base year volumes and 2015 weights. The index is the magnitude of the volume. Changes over time, with reference to the volume of the base year 2015. The index is calculated as a ratio of the volume of a specific component in a specific month to the total volume of that component in 2015.

Conversion : 1 basis point = 0.01 percent

Revision : The monthly data presented in this publication has been revised following the receipt of updated datasets from the respective data sources.
